- Burn-out consultation
- Bioenergetic

Personal Areas of Competence

Therapeutical support for people who deal with
Following difficulties and challenges:

- Fears and Anxieties
- Depression
- Addiction / Dependence within the family
- Problems at work / mobbing
- Problems within the partnership or with other family members like children
- Difficulties in adapting to changes in life situations (e.g. separation, death, sickness, loss of work, moving house, job changes etc.)
- Continual pressure due to difficult family situations (e.g. chronic illness of family members)

Philosophy

„ Children

– When they are small give them roots,
When they are grown up give them wings!“

By appointment only.
